4.	Are you currently being investigated as a suspect case of COVID-19?	Yes	No
5.	Have you tested positive for COVID-19 within the last 10 days?	Yes	No

Do not come to class if you are feeling sick or having any symptoms like fever, cough, shortness of breath.

Do not come to class if you are in contact with any individuals who are sick or have any of those symptoms.

The gymnasts will be checked by the coaches for temperature or any other symptoms before entering the gym.

Gym entry

Enter from outside, through the side glass doors in the back alley, just before the parking entrance.

Only gymnasts are allowed in the gym.

There will be a coach on the door, making sure the gymnasts are entering one by one, keeping a 2 m distance.

Once in the gym, our second coach will direct each athlete to a “personal area”, on the carpet, which will be visibly bordered with colourful tape. Each gymnast will have, and use only their own spot ! Both days ! This will be a very good size area of 3.65m x 3.5m (12feet x 11.50feet)

Gym rules

The coaches will be conducting the class from at least 2 or more meters distance.

Keep your distance !

Do not share apparatus or anything at all !

Do not touch each other !

Try to stay in your area only, do not run around and try not to touch anything in the facility!

Bring your water bottle !

Have your own hand sanitizer !

Using the washroom and hygiene

We have disinfectant sprays and wipes and will use it before and after on all surfaces and objects that our kids may be touching. In the washroom and everywhere on high-touch surfaces(hand rails, door handles, chairs etc) will be sanitized.

There will be one dedicated washroom (not shared with basketball)

Use only this one ! Ask your coach for assistance.

Only disposable wipes and paper towels could be used.

The coaches will have plenty of everything for disinfection.

There will be a dedicated garbage bag, which will be disposed by the coaches after training in the on-site garbage bin.

We will have available face masks and gloves as well.

Wash hands regularly, before and after training!

End of gym and exiting

Rolling carpets- all the gymnasts will be responsible to unroll and roll the carpets, but only the coaches will take them in and out the storage.

This will minimize the number of people accessing the storage room.

The coaches will make sure the gymnast exit the gym from the same door, in the same safe manner, one by one, keeping the distance.

Parents, please keep appropriate distance while waiting for your kids!

Please, be on time picking up !

Thank you for your understanding!
